- A sample document and an abstract template can be downloaded from the Congress Website: <http://www.omniameeting.com/esao2005>.
- Use 11 pts. Arial or Helvetica font (abstract will be reduced by 30%, therefore avoid smaller fonts!).
- Use single line spacing in your abstract.
- The abstract has to fit into a box of 12 cm / 4.7 in. width and 14 cm / 5.5 in. height. For paper format A4 portrait, use the following margins: top 2.0 cm, bottom 12.6 cm, left 4.3 cm, right 4.4 cm. For paper format US Letter, use margins of: top 1.0 in., bottom 4.2 in., left / right 1.84 in.
- Your abstract should not exceed 2560 characters including all letters, spaces and punctuation marks. This number includes title, authors, affiliations, text and tables (if supplied).

Title (one paragraph)

- Type title in bold capitals using standard font (11 pts. Arial or Helvetica).

Authors (one paragraph)

- Type authors using standard font (11 pts. Arial or Helvetica).
- Use initials for first and middle name of every author.
- Underline the name of the presenting author.
- Use numerical superscripts to mark authors having different affiliations.

Affiliations

- List all institutions with city and country at the end.
- After the *Affiliations* paragraph leave one blank line.

Text

- Structure Background / Aim - Methods - Results - Conclusion(s).
- Each section should start in a new paragraph, with leading section title in bold followed by a colon.
- Text should be block aligned (justified).
- Simple tables are acceptable within the abstract.
- Use standard abbreviations. Explain unusual abbreviations.
